

COTTON COVERALL **WITH REFLECTIVES TAPES**

DESCRIPTION

The Guardian coverall has great resistance to abrasion and wear, even in constant contact with rough surfaces. Its fibers remain colorful and in good condition after multiple washings. It is resistant, durable and suitable for multiple tasks and environments, for unlimited indoor and outdoor use. The reflective tape allows for greater visibility of the user in low light conditions.

FEATURES

- Double trolley front closure, with adjustable lower leg and cuffs.
- Multiple pockets: pen pockets on sleeve, lower front patch pockets, upper zippered pockets, and rear patch pockets.
- Long sleeves offer greater protection against sun rays.
- Elastic waistband provides freedom of movement.
- Two-tone 2.5" reflective tape, applied at 360° on torso, legs and arms; plus shoulder tape.
- Used to protect the user from fibers, non hazardous liquids, dust, splashes, etc. Its use is recommended in construction, industrial, pruning, maintenance, assembly, ports and many other activities.

MATERIALS

Fabric: 100% cotton, 254 g/m²; color: orange, khaki, navy blue, gray, red, or moss green.

Reflective: 2.5" bicolor; orange/grey or lime yellow/grey.

Zipper: non-conductive brass.
